FOR IMMEDIATE RELEASE

BROWN-FORMAN TO PURCHASE PART TIME RANGERS HOLDINGS LIMITED *Low Sugar, Low Calorie Spirit-Based RTDs in New Zealand*

LOUISVILLE, KY, OCTOBER 12, 2020 -- Brown-Forman Corporation (NYSE:BFA) (NYSE:BFB) announced today that it has reached an agreement to purchase Part Time Rangers Holdings Limited, based in New Zealand. Part Time Rangers produces spirit-based ready-to-drinks (RTDs) with all-natural fruit flavoring. The transaction is subject to customary closing conditions.

“The acquisition of Part Time Rangers is a targeted investment for us and will help us grow in a key category in New Zealand and, in the future, Australia,” said Lawson Whiting, President and CEO, Brown-Forman Corporation. “Along with our Jack Daniel’s Tennessee Whiskey and RTDs, we believe we will have greater diversity in the RTD category.”

“What is appealing and unique about Part Time Rangers is that it offers a range of low calorie, spirit-based RTDs for consumers to enjoy, while making a difference in our world through its charitable donations supporting wildlife conservation and ecosystem preservation,” said Eveline Albarracin, Vice President, Managing Director, Australia/New Zealand/Pacific Islands, Brown-Forman Corporation. “Part Time Rangers’ growing consumer base in New Zealand will provide our business with an exciting opportunity to broaden and strengthen our existing RTD portfolio footprint in New Zealand, Australia, and potentially beyond.”

Part Time Rangers was founded by brothers Oliver and William Deane in 2018. The company currently offers a range of six RTD products including Lime Vodka, Passionfruit Apple Vodka, Apple Lime Rum, Strawberry Raspberry Gin, Ginger Lime Whiskey, and Apple Lemon Gin. Part Time Rangers supports local and global wildlife and ecosystem preservation initiatives. This conservation focus complements Brown-Forman’s overall commitment to advancing environmental sustainability.

For 150 years, Brown-Forman Corporation has enriched the experience of life by responsibly building fine quality beverage alcohol brands, including the Jack Daniel’s Tennessee Whiskey, Jack Daniel’s Tennessee RTDs, Jack Daniel’s Tennessee Honey, Jack Daniel’s Tennessee Fire, Gentleman Jack, Jack Daniel’s Single Barrel, Finlandia, Korbel, el Jimador, Woodford Reserve, Old Forester, Coopers’ Craft, Herradura, New Mix, Sonoma-Cutrer, Chambord, BenRiach, GlenDronach, Slane, and Fords Gin. Brown-Forman’s brands are supported by approximately 4,800 employees and sold in more than 170 countries worldwide. Important Information on Forward-Looking Statements:

This press release contains statements, estimates, and projections that are “forward-looking statements” as defined under U.S. federal securities laws. Words such as “aim,” “anticipate,” “aspire,” “believe,” “can,” “continue,” “could,” “envision,” “estimate,” “expect,” “expectation,” “intend,” “may,” “might,” “plan,” “potential,” “project,” “pursue,” “see,” “seek,” “should,” “will,” “would,” and similar words indicate forward-looking statements, which speak only as of the date we make them. Except as required by law, we do not intend to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise. By their nature, forward-looking statements involve risks, uncertainties, and other factors (many beyond our control) that could cause our actual results to differ materially from our historical experience or from our current expectations or projections. These risks and uncertainties include, but are not limited to:

- Impact of health epidemics and pandemics, including the COVID-19 pandemic, and the resulting negative economic impact and related governmental actions
- Risks associated with being a U.S.-based company with global operations, including commercial, political, and financial risks; local labor policies and conditions; protectionist trade policies, or economic or trade sanctions, including additional retaliatory tariffs on American spirits and the effectiveness of our actions to mitigate the negative impact on our margins, sales, and distributors; compliance with local trade practices and other regulations; terrorism; and health pandemics
- Failure to comply with anti-corruption laws, trade sanctions and restrictions, or similar laws or regulations
- Fluctuations in foreign currency exchange rates, particularly a stronger U.S. dollar
- Changes in laws, regulatory measures, or governmental policies – especially those that affect the production, importation, marketing, labeling, pricing, distribution, sale, or consumption of our beverage alcohol products
- Tax rate changes (including excise, sales, VAT, tariffs, duties, corporate, individual income, dividends, or capital gains) or changes in related reserves, changes in tax rules or accounting standards, and the unpredictability and suddenness with which they can occur
- Unfavorable global or regional economic conditions, particularly related to the COVID-19 pandemic, and related economic slowdowns or recessions, low consumer confidence, high unemployment, weak credit or capital markets, budget deficits, burdensome government debt, austerity measures, higher interest rates, higher taxes, political instability, higher inflation, deflation, lower returns on pension assets, or lower discount rates for pension obligations
- Dependence upon the continued growth of the Jack Daniel’s family of brands
- Changes in consumer preferences, consumption, or purchase patterns – particularly away from larger producers in favor of small distilleries or local producers, or away from brown spirits, our premium products, or spirits generally, and our ability to anticipate or react to them; legalization of marijuana use on a more widespread basis; shifts in consumer purchase practices from traditional to e-commerce retailers; bar, restaurant, travel, or other on-premise declines; shifts in demographic or health and wellness trends; or unfavorable consumer reaction to new products, line extensions, package changes, product reformulations, or other product innovation
- Decline in the social acceptability of beverage alcohol in significant markets

(more)

- Production facility, aging warehouse, or supply chain disruption
- Imprecision in supply/demand forecasting
- Higher costs, lower quality, or unavailability of energy, water, raw materials, product ingredients, labor, or finished goods
